

Tuna Ciabatta Melt

Ingredients:

- 2 cans of tuna, drained
- 4 large slices ciabatta or other bread, day old is great!
- Olive oil, butter, or mayo
- ½ cup shredded mozzarella, cheddar, or other melting cheese
- Fresh tomato slices

Method:

- Preheat the oven broiler (a toaster oven works great also)
- Put the bread on a baking sheet and toast both sides to a light golden color. Keep a watchful eye so it doesn't burn.
- Remove toast and spread butter, oil or mayo on one side.
- Lay two tomato slices on top of each bread piece
- Add ½ can of tuna to this side.
- Top with 2 Tbsp. shredded cheese.
- Put back under broiler until cheese is bubbles, 3-5 minutes.
