

Sponsor Hopelink's Turkey Trot!

Hopelink's 19th Annual
Turkey Trot 5K

Sunday, November 24, 2019 - 9 a.m. - noon
 Marina Park, Kirkland WA

Since 1971, Hopelink has helped more than one million people in communities throughout north and east King County. Through programs designed to help low-income individuals and households find stability and become equipped to exit poverty, Hopelink continues to help more than 60,000 people each year. Hopelink service centers in Bellevue, Kirkland, Redmond, Shoreline and Sno-Valley (Carnation) provide food, energy assistance, adult education, financial assistance, family development and employment services. Hopelink also provides housing and transportation services.

Hopelink's annual Turkey Trot 5K Family Fun Run & Walk helps provide emergency services and holiday assistance to low-income families during the winter months. Families in poverty struggle year-round, but in winter they face added financial pressure from such things as higher home heating costs and providing their children with warm clothing and visits to the doctor if they get sick.

Pledge your support by August 28th.

Hopelink's annual Turkey Trot 5K Family Fun Run & Walk is a festive pre-holiday tradition along the shores of Lake Washington. The event brings together families & friends; individuals & teams; runners, walkers, and even puppies!

The family fun fair will take place at Marina Park in the heart of Kirkland; a great location with a great view ... and an even better cause. Kick off the holiday season with others who are as committed to this community as you are.
