Welcome to the Neighborhood!

We're so glad to have you here at the 28th Annual Reaching Out Luncheon, our signature annual fundraising event.

For 52 years, Hopelink has evolved with the needs of our neighbors. With rapidly changing demographics and increasing costs of living, Hopelink is evolving once again. During today's program, we invite you to dream along with us about the future made possible when we come together as one neighborhood, in support of all our neighbors.

Thanks for being a neighbor!

Hopelink, a partner in life's biggest challenges

Since 1971, Hopelink has partnered with our King and Snohomish County neighbors as they navigate some of life's biggest challenges. Our nine programs work in tandem to fill gaps and provide stability, supporting each family and individual's unique needs.

Our Programs

Food Assistance

Food markets provide fresh, nutritious foods while our Mobile Market travels to areas that lack access to healthy, affordable groceries.

Financial Capabilities

Providing coaching on budgeting, credit, bill paying, debt repayment, savings, and financial recovery.

Family Development

Case managers work with families to address multiple long-term needs.

Employment Services

Assisting clients to develop the skills needed to find work.

Adult Education

Classes prepare clients for the workforce or adult learning.

Energy Assistance

Providing energy assistance grants to help with home heating costs.

Housing Services

Programs include emergency family shelter and long-term housing.

Transportation

Medicaid transportation; off-route bus access, and assistance with public transportation.

Financial Assistance

Providing support funds during times of financial instability.

Special Guest

COMMON

.....

Hip hop artist and actor Common is one Tony Award away from becoming an EGOT—Emmy, Grammy, Oscar, Tony—winner. And that’s not counting his Golden Globe or any of the other numerous awards he’s won. Throughout his career he has used his art as a platform to change people’s perspectives, promote more diverse narratives, and encourage people to movement. Common motivates audiences to nurture the dreams of the young, overcome adversity, and address the persistent hope that lives within us all.

Working hand-in-hand
with local partners to
**build strength
in our community.**

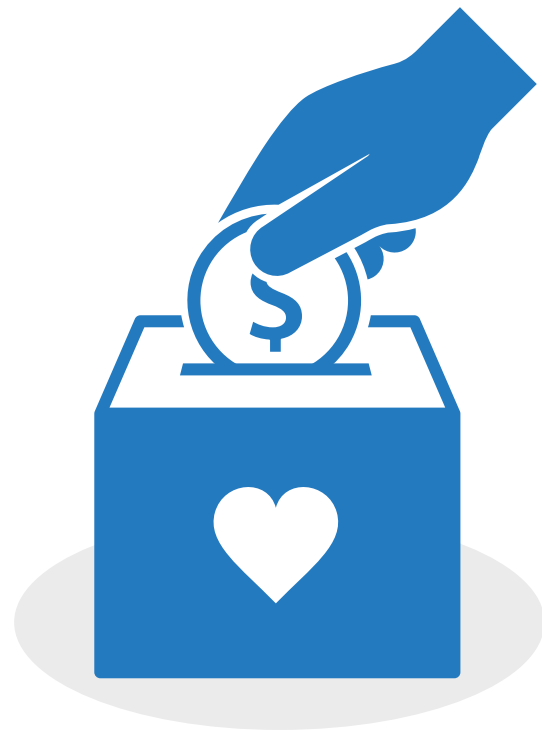

At Amazon, we look to leverage our scale for good to help strengthen local communities. That means combining our strengths with those of community partners, working together to find creative solutions that have a lasting impact. Thank you to **Hopelink** for your impact in the community.

We Give
Where
We Live.

We're proud to support our local communities.

No one knows a community better than the people who live and work there. That's why we empower employees at our local offices to determine the best ways to use resources and funds to meet the unique needs of their communities. It's all about making a difference where it counts most.
